Explanation of Responses:

1. Represents a grant of restricted stock that vest 20% on March 1, 2021 (the "First Vesting Date") and 20% on each of the first four anniversaries of the First Vesting Date.

2. The aggregate number of shares held by the Reporting Person previously was underreported by ten shares. The total number of shares reported as directly held is now corrected.

3. Previously, all of the Reporting Person's shares were shown as indirectly held. Certain shares, reflecting unvested shares of restricted stock held by the Reporting Person, are held directly while unvested and then, upon vesting, are held indirectly through the J and M Trust. The shares held by the Reporting Person now reflect the difference between the directly held and indirectly held shares, although the total number of shares held by the Reporting Person remains the same.
